

## What is planned for your library?

The following list of libraries has been adapted from the Essex County Council Strategy document. The Council says that it has no legal responsibility to keep any of the libraries in 'Tier 3' or 'Tier 4' open.

**If your local library is in Tier 4 it is earmarked for straightforward closure.**

**If your local library is in Tier 3, the Council say that unless 'community' organisations come forward their future will be 'reviewed'.**

Tier 1 libraries are currently planned to remain, and Tier 2 will remain but with the Council looking to use more volunteers etc. to keep them open.
